Arboretum on Wheels (AOW) Scholarship Application

Thanks to many generous donors and Friends of the Arboretum we can offer scholarships for the Arboretum on Wheels (AOW) program! Our mission is to give as many students as possible the opportunity to experience our educational outdoor classroom. We are serving schools and other facilities in the entire tri-state area. An awarded scholarship will fund a one-hour program during which the participants will be actively involved in nature-based topics. Applications will be reviewed on a first come first served basis for the current 2022 calendar year.
